PART 1:
INSTRUCTOR INFORMATION, COURSE DESCRIPTION
AND TEACHING METHODS

1.1 General information

- Full course title: **Russia in Global Politics**
- Type of course: [Compulsory]
- Level of course B.A.
- Year of study: 4th
- Number of ECTS credits allocated: [3]
- Name of lecturer(s) and office hours:
Timur Makhmutov, Ph.D. in Political Science
E-mail: timakh@gmail.com

1.2 Course aims and learning outcomes

The aim(s) of the course is (are) to provide students with foundational knowledge and sound understanding of Russia's role in international politics, its potential and strategies in maintaining global and regional stability, to introduce students to current fundamental documents of Russia's foreign policy, to orient students to comparative analysis of Russia's interactions on the global arena with regard to other countries foreign policy activities, to provide students with data explaining the potential of Russia to play a significant role in world politics.

Learning outcomes:

By the end of this course students should be able to:

- understand the logic and arguments of Russian foreign policy planners and senior officials,
- give critical analysis of any publication on international relations,
- give well-founded explanations on political, economic, cultural and military potential of Russia on the global arena,
- include into strategic analysis of Russian foreign policy basic documents regulating Russia's external activity.

1.3 Course requirements and grading plan

Course requirements

Students will be required to attend not less than 90% of classes and be prepared for class discussions. Conscientious reading of the assigned materials is compulsory. Students will also be required to be prepared for written tests which can include also statistical data.

Grading plan

- Class participation - 50%
Students are expected to attend all the lectures seminars and participate in class discussions; since the course is highly interactive, it is essential that students attend the seminars having read the materials for that day's class.
- In-class tests – 10%
Students will write two tests during the semester. Dates of test classes are defined by the instructor and communicated to the students at the first class of the respective course.
- Essay – 20%

During the course each student is expected to write an essay (minimum 4000 characters, up to 8000 characters, Times New Roman font, size 14, 1.5 interval) on one of the topics proposed. The essay should demonstrate the level of student's knowledge of publications on the subject. The work is to be presented at least 2 weeks before the end of the course.

- Oral exam – 20% (in class, 120 minutes).

PART 2. COURSE CONTENT

2.1 Types of work

Types of work	Academic hours
Total	108
Total for lectures, seminars and written exam	32
Lectures	16
Seminars	16
Written tests and/or exam	2
Homework	76
Written and oral home assignments	36
Preparation for lectures, seminars and written exam	38

2.2. Course content and readings by topic

Topic 1. Historical Background and Geographical Potential of Russia to Be a Global Power

Lecture 1.1 Historical Background and Geographical Potential of Russia to Be a Global Power.

Summary: The role of history in the formation of Russia's foreign policy. The role of geography in explaining Russia's potential in international affairs on regional and global levels. PART 3. FINAL REMARKS

- Plagiarism is considered as a severe violation and as an indication of incompetence in the course. Plagiarism is understood as making of one's text using compilation method for other people's publications, even connected with own phrases and sentences. Collective performance of individual tasks is also unacceptable. Proved plagiarism an F-mark is given regardless of the fulfillment of all other requirements.
- Assignments are to be handed in on the due date. Late submissions will translate into the lowering of the grade by 1/3 of a grade for each day of delay.
- Students are asked to keep a copy of all work submitted for evaluation.
