1.2 Course aims and learning outcomes

The course is aimed at understating of sources of continuity and discontinuity in contemporary Priorities of Russian Foreign Policy. Specificity and general patterns of the subject are studied with specific theoretical instruments and necessary empirical background. Russia’s various current policy options are discussed, as well as the issue of national identity of contemporary Russia and its significance for the foreign policy discourse

Learning outcomes:
By the end of this course students should be able to:
• Understand the bases for Russian foreign policy interests and instruments;
• Evaluate main global priorities and key regional vectors of the Russian foreign policy;
• Know the main driving forces and groups of interests for elaborating foreign policy priorities;
• Know the major theoretical approaches towards contemporary Russian foreign policy;
• Analyse the foreign policy discourse and activities in a broad historical and theoretical framework.

1.3 Course requirements and grading plan
Course requirements

Students will be required to attend not less than 90% of classes and be prepared for class discussions. Conscientious reading of the assigned materials is compulsory.

Grading plan

Class participation - 20%
Students are expected to attend all the lectures and seminars and participate in class discussions; since the course is highly interactive, it is essential that students attend the seminars having read the materials for that day’s class.

In-class paperwork on home reading – 40%
Students will write two paper works during the semester (without notice, 1 essay question, up to 30 minutes)

Work-shop – 30 %
Students will have an in-class discussion activity followed by the group presentation of the results (based on home readings, lectures and seminars conclusions)

Requirements:

5. PART 3. FINAL REMARKS

- Plagiarism is considered as a severe violation and as an indication of incompetence in the course. Plagiarism is understood as making of one’s text using compilation method for other people’s publications, even connected with own phrases and sentences. Collective performance of individual tasks is also unacceptable. Proved plagiarism an F-mark is given regardless of the fulfillment of all other requirements.
- Assignments are to be handed in on the due date. Late submissions will translate into the lowering of the grade by 1/3 of a grade for each day of delay.
- Students are asked to keep a copy of all work submitted for evaluation.
